## **Explanations**

SAMPLE

## 1. What is the meaning of 'estudiar'?

- A. To remember
- B. To study**
- C. To ask
- D. To guess

'Estudiar' in Spanish means 'to study'. Option A, 'to remember', does not have the same meaning as 'estudiar'. Option C, 'to ask', is an incorrect translation as the correct word for 'ask' in Spanish is 'preguntar'. Option D, 'to guess', is also an incorrect translation as the correct word for 'guess' in Spanish is 'adivinar'. Therefore, option B is the only correct translation for 'estudiar'.

## 2. 'Por un rato' translates to?

- A. all the time
- B. for a while**
- C. every week
- D. so many times

This phrase translates to "for a while" or "for a short time," indicating a temporary or brief period of time. Option A is incorrect because it means "all the time," indicating a longer or continuous period of time. Option C, "every week," and option D, "so many times," do not correctly convey the meaning of the phrase as they refer to routine or repeated actions rather than a short period of time.

## 3. How do you say 'to fall asleep' in Spanish?

- A. dormirse**
- B. divertirse
- C. despertarse
- D. acostarse

The correct answer is "dormirse." In Spanish, the verb "dormirse" specifically means "to fall asleep" or "to go to sleep." The other options are incorrect because: - "Divertirse" means "to have fun" or "to enjoy oneself." - "Despertarse" means "to wake up." - "Acostarse" means "to go to bed" or "to lie down."

## 4. How do you say 'the winter' in Spanish?

- A. El invierno**
- B. El verano
- C. El otoño
- D. La primavera

The correct answer is A. "El invierno" translates to 'the winter' in Spanish. In Spanish, the word "invierno" specifically refers to the winter season. Options B, C, and D are incorrect because: B. El verano = the summer C. El otoño = the autumn D. La primavera = the spring Each of the incorrect options corresponds to a different season in Spanish, making A the only correct translation for 'the winter.'

## 5. What does 'escribir' translate to in English?

- A. To write**
- B. To understand**
- C. To learn**
- D. To remember**

"Escribir" is a Spanish verb that means "to write". The other options (B, C, and D) do not accurately translate to the meaning of "escribir". "To understand" translates to "entender", "to learn" translates to "aprender", and "to remember" translates to "recordar". Therefore, they are not the correct translations for "escribir".

## 6. How do you say 'the gym' in Spanish?

- A. el lago**
- B. la ciudad**
- C. el bosque**
- D. el gimnasio**

The word 'the gym' is translated as 'el gimnasio' in Spanish. This is because 'gimnasio' means gym in Spanish and 'el' is the masculine form of 'the'. Option A, el lago, means 'the lake' and is not related to the word 'gym' at all. Option B, la ciudad, means 'the city' and is also not related to 'gym'. Option C, el bosque, means 'the forest' and is not related to 'gym' either. Therefore, the only correct translation for 'the gym' in Spanish is 'el gimnasio'.

## 7. What does 'llamarse' translate to in English?

- A. To be called**
- B. To call out**
- C. To clamor**
- D. To climb**

The term 'llamarse' translates to "to be called" in English. This reflexive verb is commonly used when talking about names, indicating what someone is called or referred to. For example, when someone states, "Me llamo Juan," they are essentially saying, "I am called Juan." This use of the verb captures the essence of introducing oneself by name, which is a significant aspect of social interaction. The other options do not align with the meaning of 'llamarse.' "To call out" pertains to the act of calling someone, "to clamor" involves making a loud and confused noise, often related to a crowd, and "to climb" refers to the action of going up or ascending. These meanings diverge from the context associated with self-identification provided by 'llamarse.'

## 8. What does 'escuchar' translate to in English?

- A. To paint
- B. To listen**
- C. To exercise
- D. To play

"Escuchar" translates to "to listen" in English. This word specifically refers to the act of paying attention to and perceiving sound. In contrast, the other options are not accurate translations. "To paint" would be "pintar," "to exercise" would be "ejercitarse," and "to play" would be "jugar" in Spanish.

## 9. Translate 'cada año' into English.

- A. every month
- B. every week
- C. each day
- D. every year**

"Cada año" is a phrase in Spanish that translates to "every year". The other options provided are incorrect as they refer to a shorter period of time. "Every month" refers to a monthly occurrence, "every week" refers to a weekly occurrence, and "each day" refers to a daily occurrence. Therefore, D is the most accurate translation for "cada año".

## 10. What is the meaning of 'dar'?

- A. To dare
- B. To give**
- C. To darken
- D. To draw

The correct answer is "to give" because the verb "dar" is a fundamental verb in the Spanish language that translates directly to "give" in English. It is used to indicate the act of providing something to someone else, whether it's a physical object, information, or even intangible things like affection or time. This verb appears frequently in everyday conversations, making it essential for effective communication in Spanish. In contrast, the other options do not align with the meaning of "dar." The verb "to dare" might be confused with the Spanish verb "atreverse," while "to darken" relates to the verb "oscurecer," and "to draw" is translated as "dibujar." Each of these verbs reflects a different action and emphasizes the importance of understanding the distinct meanings of verbs in Spanish.
